

THE SCHOOL OF ARCHITECTURE AT TALIESIN

2018 Scholarship Guide

The School of Architecture at Taliesin has many scholarship opportunities available for our students!

All students are automatically considered for all scholarship opportunities upon application and acceptance to The School of Architecture at Taliesin. No separate application is required; all admissions application materials must be on file with the Admissions Office to be considered for any award. Awards are considered in order of application received or all funding has been exhausted. Students are automatically considered for renewal each year based on academic progress.

For full consideration to the scholarship(s) below all applicants must be sure to reference how they meet the qualifications, per the description, in the Personal Statement/Essay of their application. Please reference any specific scholarship you wish to focus on and how you feel you meet the award description in your essay. Current students who wish to be considered for the below scholarships must submit a personal essay on how they meet the criteria within the description.
